Puran Kumar, IPS (2001 Batch, Haryana) and immediate arrest of the accused persons. *- as per the suicide note recovered from person of Sh. Puran Kumar*

Sir/Madam

With a heart weighed by unspeakable grief and shaken faith in justice, I, Mrs. Amneet P. Kumar, IAS (2001 Batch, Haryana), wife of late Shri Y. Puran Kumar, IPS, write to you not only as a public servant but, above all, as a bereaved wife and a mother experiencing the gravest tragedy that can befall a family, to submit this complaint for the registration of an FIR and immediate arrest of Sh. Shatrujeet Singh Kapur, DGP Haryana and Narendra Bijarniya, IPS, SP Rohtak, under Section 108, Bharatiya Nyaya Sanhita, 2023 (BNS) 2023 (Earlier Section 306 (Abetment to Suicide) of the Indian Penal Code, 1860, and other relevant provisions of Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act (SC/ST Act), regarding the harassment and abetment caused by the said persons to the extent of resulting in the death of my husband on 07.10.2025.

I was on an official trip to Japan and upon coming to know about the unfortunate incident, I rushed back to India, hence I am making the complaint today i.e on 08.10.2025.

That my husband, an officer of unimpeachable integrity and extraordinary public spirit, was found dead by gunshot at our home on 7th October 2025. While official narratives suggest suicide, my soul cries for justice as a wife witnessing years of systematic humiliation,

harassment, and persecution inflicted upon my husband by senior officials including: Sh. Shatrujeet Singh Kapur, DGP Haryana.

That my husband's pain was not hidden and is explanatory from the numerous complaints filed by him (which he has referred to in his Suicide Note), endured caste-based discrimination.

My husband had reasonably learnt and intimated it to me that a conspiracy is being hatched on the directions of DGP Haryana Sh. Shatrujeet Singh Kapur and he would be falsely implicated in a frivolous and mischievous complaint by fabricating false evidence. **Subsequently, most cruelly, just before his death on the directions of DGP Haryana Sh. Shatrujeet Singh Kapur, a false FIR-No 0319/2025 under section 308 (3) BNS, 2023 was registered at Police Station Urban Estate Rohtak dated 06.10.2025, against staff member of my husband- Sushil and under the well planned conspiracy, my husband was being implicated in the said case by fabricating the evidence against him, which pushed him for his final anguish.** Regarding this case, he had contacted the DGP- Sh. Shatrujeet Singh Kapur and had a conversation with him, but at that time the DGP had hushed up the conversation. Further my husband had also called Narendra Bijarniya SP Rohtak, but he intentionally did not answer his call. From the circumstances, it can well be seen that Narendra Bijarniya, SP Rohtak was conspiring with the DGP Haryana Sh. Shatrujeet Singh Kapur. The eight-page suicide note, a document of a broken spirit, lays bare these truths and names of numerous officers whose relentless actions pushed him to the edge. For the harassment meted out to my husband, he used to inform me about the same. It is impossible for me to find the words for what my children and I have lost-a husband, a father, a man whose only crime was honesty in service. But as an officer who has devoted his career to upholding the law, I must now place my faith in the very institutions to which my husband and I gave our best years.

*Yours*

Further to the foregoing, my husband repeatedly invoked the protection of the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989, after being subjected to caste-based slurs, exclusion from places of worship on police premises, caste based discrimination, targeted mental harassment and public humiliation and atrocities by senior officers, specifically against Sh. Shatrujeet Singh Kapur.

I further want to bring to your notice that it is settled law that Continuous acts of harassment, humiliation and defamation can constitute abetment. The totality of circumstances must be examined, not just proximate incidents. Administrative persecution can drive a person to suicide.

Further, the harassment of my husband on the basis of his Scheduled Caste identity constitutes a separate and aggravating offence under the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989.

I am not only pleading for my family, but for the value of every honest officer's life and dignity. This is not a case of ordinary suicide but a direct result of systematic persecution of my husband-an officer from SC community by powerful and high-ranking officers who have used their positions to mentally torture him, ultimately driving him to such an extent that he was left with no other option but to take his life.

Therefore, I request you to please register an FIR under Section 108 BNS, 2023 (Earlier Section 306 of IPC and other relevant provisions of Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act (SC/ST Act) against Sh. Shatrujeet Singh Kapur, DGP Haryana and Narendra Bijarniya, IPS, SP Rohtak and immediately arrest them without delay as both the accused are powerful persons and are holding influential posts and will make all efforts to manage the situation in their favour, hampering the investigation including tampering of the evidences and influencing the witnesses.

Justice should not merely be done, but seen to be done—even for families like ours, shattered by the cruelty of the powerful. My children deserve answers. My husband's decades of public service deserve dignity, not silence.

NOTE : I have been informed by my family that the Suicide note was recovered by the CFSL/ Police authorities and the same was taken into possession by the police authorities.

When I reached home and opened the Almirah, the laptop bag was found lying there. I found another copy of the Suicide Note in the laptop bag and upon opening the laptop, the same Suicide Note was found typed therein, which I am handing over to you along with the laptop.
