

called the Union Representatives on table and make them convinced to start the work and restore supply under bad weather conditions.

To further speed up the investigation, the photocopies of 6 nos. employees, who have submitted their documents from institute affiliated (Vocational Training School/ITI) from Haryana Board of School Education, Bhiwani were sent to the Secretary, Board of school Education, Bhiwani vide memo. no. 1757 dated 10.04.2026 (**copy placed as Annexure-I**). But, the Secretary to Haryana Board of School Education, Bhiwani vide letter memo. no. 892/Sr.Sec./PC/Ver. Dated 10.04.2026 (**copy placed as Annexure-II**) intimated that for verification of documents, **the original copy of certificates is required and verification cannot be carried out based on the photocopies of the documents.**

The photocopy of documents of 54 nos. HKRN employees were sent to Director General, Department of Skill Development and Industrial Training, Haryana vide memo. no. 1736 dated 08.04.2026 (**copy placed as Annexure-III**). The final outcome from the institute is still awaited. To expedite the report, one employee of Sohna division is again visiting to the office of Director General, Department of Skill Development and Industrial Training, Haryana.

The photocopy of documents of 5 nos. HKRN employees were sent to Advance Industrial Technical Information & Engg. Management, RWR, NCR, Delhi vide memo. no. 1737 dated 08.04.2026 (**copy placed as Annexure-IV**), **but they also desired original qualification documents for verification.**

The photocopy of documents of 6 nos. HKRN employees are related to institutes affiliated to other states. The official from Sohna Division have been deputed to get verify the available photocopy of documents.

For rest of 16 nos. employees, they have not even submitted the photocopy of their qualification documents even after repeated reminders.

Officer/officials are again being deputed to Secretary, Board of school Education, Bhiwani, Director General, Department of Skill Development and Industrial Training, Haryana & Advance Industrial Technical Information & Engg. Management, RWR, NCR, Delhi to give their findings based on the photocopies of the documents submitted by these employees, but the chances seems to be minimal.

From above, it is concluded that these 87 nos. employees were engaged initially through contractors and remained continue to work through various contractors to whom work order for providing manpower were placed time to time. In 2022, all these employees were ported on HKRN portal. As per record, verification of
